

Apprenticeship and Training Department and National Fund Mission Statement

The mission of Ironworkers Apprenticeship and Training Department is to ensure that our Ironworkers have the skills, knowledge and training necessary to be safe on the job site; competitive in the workplace; and satisfied in their careers. We accomplish that mission by providing training and training materials, leadership and accreditation in order to uphold union values and the principles of service and professionalism. We stand for:

- Safety
- Service
- Leadership
- Integrity
- Professionalism
- Comradeship
