There is significant need to support our veterans after 17 years of our current war, as well as those who served in Vietnam, Korea, and even WWII! The Bedford Twp. Veterans Center has created a way you can personally help the vets in the Bedford community without even leaving your home!

The *Bedford 5000* program is the ground floor of creating direct support for our local Veterans. When no one else would stand and say 'I will go,' thousands of brave men and women from the Bedford community did. Many gave their lives and sacrificed time from home--whose families fought alongside them from a distance and who carry the torch of caring for the vets returning home. They all bled for this Township. They served to protect what we have today in our beloved town. Those of us who served have made the vow to never leave a fallen soldier behind. So, we ask you now, will you stand up and say, "for those who gave so much, I will stand with them now." By partnering with the Bedford Twp. Veterans Center, you have the opportunity to join the ranks! Help us to secure vets' futures and let them know they are never alone or without again!

Bedford Township has 32,000 residents. All it will take is 5000 giving at least \$10.00 a month. How many will rise to this occasion and commit to donating a recurring gift of \$10 to save lives and provide funds to keep our Vets Center operating throughout the year?

Your gift will change the lives of these men and woman forever. We receive zero tax dollars, and our monthly and yearly operations are entirely funded by you and the community. The Bedford Twp. Veterans Center is part of this Township and is only here because of the hearts of its residents.

You can go to our website and click DONATE or stop by our center or mail the attached ACH form to:
