CONFIDENTIALITY AND NON-DISCLOSURE AGREEMENT

THIS AGREEMENT is entered into by and between Bedford Twp. Veterans Center, a 501(c)(3) Non-Profit Organization ("Facility"), and _____ ("Volunteer"), to record Volunteer's agreement to maintain the confidentiality of certain information available to or acquired by him/her during the course of his/her service. For this purpose the parties agree as follows:

1. Confidential Information: "Confidential Information" as used herein, means any information relating to Bedford Twp. Veterans Center, its clients, client information, finances, business practices, and any and all similar matters. The Confidential Information is and shall remain the sole and exclusive property of Facility. Volunteer may not at any time during his/her service or subsequent thereto for any reason, with or without cause, directly or indirectly, use for any purpose or disclose or distribute to any person, corporation, partnership, sole proprietorship, governmental agency, organization, joint venture, or other entity any of the Facility's Confidential Information except as required by order of a court of competent jurisdiction. Confidential Information shall not include: (i) information which was in the public domain at the time of disclosure; (ii) information that was in the possession of the Volunteer (other than through the Facility) without any obligation to maintain its confidentiality prior to the time of his/her service; or (iii) information, though originally confidential, which subsequently becomes part of the public knowledge or literature, other than through a breach of an obligation of confidentiality as of the date of its becoming part of the public or literature.
2. Non-disclosure: All Confidential Information shall be and remain the Facility's property and shall be treated by the Volunteer as the Facility's Confidential Information. Volunteer shall maintain all Confidential Information in the strictest confidence and shall take all necessary precautions needed to preserve its confidentiality. Volunteer shall protect Confidential Information by using the highest degree of care and shall be liable for any unauthorized disclosure during or subsequent to his/her service with the Facility.
3. Return of Confidential Information: Upon notice to the Volunteer by the Facility, Volunteer shall immediately return to the Facility any and all Confidential Information (or such Confidential Information as Facility requests), whether written or recorded in any form (including limitation by means of mechanical or electrical recording or data compilation), and whether derived directly or indirectly from information, writings, or recordings supplied by Facility. In any event, the confidential obligations imposed herein will continue to be binding upon Volunteer.
4. Reliance Upon Covenants: Volunteer acknowledges that the restrictions contained in this Non-Disclosure Agreement are a reasonable and necessary protection of the legitimate business interests of the Facility. Volunteer also agrees that it may be impossible to measure in monetary terms the damages that will accrue to the Facility by reason of a breach by the Volunteer of such restrictions, that a violation of such restrictions will cause irreparable injury to the Facility, and

that the Facility shall be entitled, in addition to any other rights and remedies it may have, at law or in equity, to apply to a court of competent jurisdiction for an injunction to restrain Volunteer from violating or continuing to violate such restriction. Nothing in this paragraph shall be deemed to limit the right of the Facility to recover damages caused by any breach of Volunteer.

5. Applicable Law: This Non-Disclosure Agreement shall be interpreted in accordance with the laws of the State of Michigan. This Non-Disclosure Agreement supplements and does not supersede Volunteer's obligations under other law or agreements, including without limitation, under the Michigan Uniform Trade Secrets Act.

6. Survival: The provisions of this Non-Disclosure Agreement are independent of any other agreement by and between the parties and shall remain in full force and effect unless terminated or modified by a writing signed by both the Facility and the Volunteer.

Effective Date: March 30, 2018

I. APPLICABILITY:

1. This procedure is applicable to all volunteers and staff of Bedford Twp. Veterans Center.
2. This policy, and all policies and procedures put in place by this organization, shall be in effect for all full-time, part-time, and contracted volunteers and staff now in place or those put in place after the effective date of this policy.
3. For the purpose of this and all policies put in place by this organization, the term volunteer(s) and staff shall include all full-time, part-time and contracted volunteers and staff of Bedford Twp. Veterans Center.

II. SCOPE:

1. Bedford Twp. Veterans Center will make every effort to ensure that the control systems in place are sound and are designed, amongst other things, to prevent Sexual Harassment in the Workplace.

III. OBJECTIVE:

1. In order to provide a productive and pleasant working environment, it is important that we at Bedford Twp. Veterans Center endeavor to maintain a workplace characterized by mutual respect. Accordingly, Sexual Harassment in our Workplace will not be tolerated.

IV. KEY PRINCIPLES:

1. Compliance with internal controls and procedures.
 - a. Volunteers and staff shall ensure that they comply with all controls and procedures established by this policy, including those designed to prevent Sexual Harassment in the Workplace.
 - b. Each volunteer and staff is responsible for knowing and understanding the policies that are in place within this organization.

- c. Each employee is required to sign annually that they have read and understand the policies that are in place within this organization.
- d. All volunteers and staff shall take reasonable steps to ensure that all controls are complied with by others within the organization. This is particularly crucial for senior stakeholders with management responsibility.
- e. Volunteers and staff shall make every effort to be aware of the potential consequences of a failure in control procedures, and shall take all reasonable steps to ensure that such control procedures are sufficient to prevent Sexual Harassment in the Workplace.
- f. If during normal activities, an employee identifies a problem or weakness in the control procedure, the employee shall report the concern immediately.
- g. A volunteer or staff's failure to report problems or concerns with this policy undermines the organizations control framework.

2. Volunteer or Staff Reporting Procedure.

- a. Any Bedford Twp. Veterans Center volunteer or staff who feels that he or she has been sexually harassed shall immediately bring the issue to the attention of Tim FitzGerald, Director.
- b. In the event that Tim FitzGerald is the person that the complaint is regarding or in Tim FitzGerald's absence all reports of Sexual Harassment will be handled by Joyce Harvey, Assistant Director.
- c. Inquiries and/or complaints will be investigated as quickly as possible.
- d. Any and all allegations of Sexual Harassment shall be reported in confidence following the reporting hierarchy previously outlined. Confidentiality is important not only to protect the innocent but also to ensure that an opportunity is not available to cover up inappropriate activity or to destroy potential evidence of such activity.
- e. Any investigation will be conducted in as confidential manner as is compatible with a thorough investigation of the complaint.

3. Prohibited Activities.

Sexual Harassment has been defined as a form of sex discrimination, consisting of **unwanted** sexual advances. Examples of prohibited Sexual Harassment include but are not limited to:

- a. Supervisors or managers explicitly or implicitly suggesting sex, or sexual favors, in return for hiring, compensation, promotion or retention decisions.
- b. Verbal or written sexually suggestive or obscene comments, jokes, or propositions.
- c. **Unwanted** physical contact, such as touching, grabbing, or pinching.
- d. Displaying sexually suggestive objects, pictures, or magazines.
- e. Continual expressions of sexual or social interest after an indication that such interest is not desired.
- f. Conduct with sexual implications when such conduct interferes with the employee's work performance or creates an intimidating work environment.
- g. Suggesting or implying that failure to accept a request for a date or sex would adversely affect the employee in respect to a performance evaluation or promotion.

4. Harassment by Non-Volunteers and staff.

We at Bedford Twp. Veterans Center will endeavor to protect our volunteers or staff, to the extent possible, from harassment by non-volunteers or staff such as visitors, clients, vendors and other parties with whom we have workplace contact with.

5. Discipline.

- a. Any Bedford Twp. Veterans Center volunteer or staff found to have harassed another volunteer or staff, or an applicant for services, will be subject to appropriate disciplinary procedure action, including reprimands, suspension and/or termination of service.

- b. A person committing Sexual Harassment in the Workplace may also be held legally liable for his or her actions under applicable law.
